Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Team member 1
Overall Team Coordination Rating (1-5)	5
Any issues during demo	Minor delay while switching between screens during the live prediction demo
How issues were resolved	Pre-loaded sample test data before the session, which reduced switching time and kept the demo smooth
